GATE STREET GALLERY

Welcome to the Gate Street Gallery, Gloucester’s interactive and public oriented walk through art gallery in the Gloucester city centre. There are ten artworks, displayed in vacant shop windows throughout the city centre.

The artworks are designed to exhibit and amplify Gloucester’s vibrant culture. As well as bringing people to the high street to enjoy the art, it will highlight to prospective business people that we have first class retail units available to lease and buy.

THE ARTIST

RUSSELL HAINES

Russell only began painting after suffering a brain stem stroke at the age of 44.

During his recovery, suffering from severe depression, he was prescribed a course of Art Therapy with Art Lift.

Since then he has become a full time artist concentrating on themes of community and social issues.

"It is a fantastic initiative by Gloucester City Council to brighten up our city centre in new and innovative ways. I am very excited to be able to contribute to this with some of my paintings adorning shop windows throughout the city"
